

# C4 Welding, Inc. Quality Policy

C4 Welding has established this quality policy to be consistent with the purpose and context of the organization. It provides a framework for the setting and review of objectives in addition to its commitment to satisfy applicable customer, regulatory, and legislative requirements as well as its commitment to continually improve the management system.

**Customer focus:** As an organization C4 has made a commitment to understand current and future customers' needs, meet their requirements, and strive to exceed their expectations.

**Leadership:** The Company's Senior Management is committed to creating and maintaining a working environment in which people become fully involved in achieving company objectives.

**Engagement of People:** As an organization, C4 recognizes that people are the essence of any good business and that their full involvement enables their abilities to be used for the company's benefit.

**Process Approach:** The Company understands that a desired result is achieved more efficiently when activities and related resources are managed as a process or series of interconnected processes.

**Improvement:** C4 Welding is committed to achieving continual improvement across all aspects of its quality management system; it is one of the company's main annual objectives.

**Evidence-based Decision Making:** As an organization, C4 is committed to only making decisions related to our QMS following an analysis of relevant data and information.

**Relationship Management:** C4 Welding, Inc. recognizes that an organization and the relationship it has with its external providers are interdependent and a mutually beneficial relationship enhances the ability of both to create value.

It is also C4's policy to meet the requirements of other interested parties and in meeting its social, environmental, charitable, regulatory, and legislative responsibilities.

The Company has produced quality objectives that relate to this policy which can be found in section Q04-6, subsection 6.2 of this document.

This policy is available/communicated to all interested parties as well as being made available to the wider community through publication on the company website, C4 Welding, Inc. bulletin boards, and network.
